OUR STORY

Harvey & Harriet wines are inspired by *life's magic*. Dedicated to our founder's parents, each bottle captures the warm feelings of special memories—playful moments, quality time together, and just a little bit of mischief.

TASTING NOTE

The 2023 Red Blend reflects the depth and elegance of a sensational vintage in Paso Robles. Luscious aromas of violets, boysenberry, and blue fruits reveal accents of tobacco and clove. The mouthfeel is silky and structured, offering seamless layers of black cherry, cocoa, leather, and baking spice. A stellar rendition of our signature blend, made for ultimate drinkability.
