## The 1561 - 30 YO

### TASTING NOTES

**Nose:** soft aromas of strawberry ice cream mingle with hints of liquorice and delicate dried spice. The addition of water reveals a glorious combination of tropical fruit laced with dark chocolate and a subtle oaky finish.

**Taste:** initially rich sherry flavours combining with freshly toasted tea cake which on the addition of water releases luscious flavours of chocolate coated toffee and summer fruits.

**Finish:** a delicate sweet cinnamon spice tingles on the tongue.
