FACT SHEET

Klipdrift Copper Royale is a 23% ABV spirit made from real potstill brandy infused with blood orange, melon, and peach flavours.

It's made for existing and new drinkers into brandy, to vibe together with something different from the ordinary. Something ironically South African, but versatile in that it can be enjoyed by all in their own way. It's that perfect "Golden Hour" drink suited for sundowners and "afternoon chill" vibes when friends come together for what promises to be a fun-filled day.

CRAFT

Skilfully distilled and left to mature in French oak for three years, the matured brandy component in this product was double distilled in copper potstills and infused with blood orange, melon, and peach flavours. Its rich array of flavours with complex tastes and aromas creates what is celebrated as pure liquid gold.

Only once the finest quality grapes are harvested, can the legendary process begin. From boiler to distillation, maturation to blending - each stage plays a vital role in creating what's known as the 'Heart of Gold' in every drop of Klipdrift Copper Royale.
