

GOLD BETWEEN FRIENDS

KLIPDRIFT PREMIUM FACT SHEET

KLIPDRIFT BRANDY | ABOUT

The Klipdrift legend began on the farm that gives the brand its name.

After a selfless act of bravery led to an extraordinarily generous gift, **a genuine lifelong friendship between neighbours was born.**

And one warm night in **1938** at 8:02pm, when the first golden drops of Klipdrift were produced, it was only fitting that those neighbours shared in the joy and success together.

Since then, that friendship and generosity has been repaid in barrels of **the smooth, full-bodied liquid gold that we celebrate today as**

SOUTH AFRICA'S FAVOURITE BRANDY

- which is, as it's always been, best enjoyed with friends.

CRAFT

It starts with harvesting the **FINEST QUALITY GRAPES**, then the expert distillation process takes place to create the 'soul' of the brandy. Next is maturation, where the **brandy is aged in French oak casks, before finally being meticulously blended, in vintage copper pot stills**, according to the brandy master's special recipe.

Klipdrift Premium is the result of the Master Distiller's dedication to crafting the smooth, **FULL-BODIED BRANDY** enjoyed today. Made by skilful blending and an extended maturation period of 3 year old brandy and older.

With its distinctive character and style, it's more than just golden premium quality - it's art.
