LANGS BANANA RUM OVERVIEW

Langs Banana combines irresistible natural ripe banana with hints of toffee and authentic tropical fruity and earthy aromas.

TASTING NOTES

NOSE

Fruity warm banana bread topped with brown sugar and ripe bananas, with subtle notes of cinnamon and vanilla.

PALATE

Rum flavour begins to build on the palate with a big hit of sweet banana.

FINISH

Initial heavy banana flavour reduces but lingers as smooth rum notes build in fruity finish.

PERFECT SERVES

Delicious neat or on the rocks or try mixing it with your favourite cola.

BENEFITS

Imported from Jamaica, our rum is considered full bodied and special because of the island's limestone, a mineral-rich sedimentary rock loaded with calcium carbonate. Limestone water softens the final product and makes it a little sweeter, making this rum the best base rum for our exotic flavour range.
