LANGS MANGO & GINGER OVERVIEW

Langs Mango & Ginger is a spicy-sweet sunburst of ripe, velvety mango, with ginger heat building in a long smooth spiced finish.

TASTING NOTES

NOSE

Fresh and fruity mango coulis mixed chewy meringue and soft warming hints of fresh ginger.

PALATE

A burst of fresh tropical fruits, ripe mango, juicy peach and lime with crystallised ginger.

FINISH

Heat of ginger builds in a long-spiced finish.

PERFECT SERVES

Delicious neat or on the rocks or try mixing it with pineapple juice with lots of freshly squeezed lime.

BENEFITS

Imported from Jamaica, our rum is considered full bodied and special because of the island's limestone, a mineral-rich sedimentary rock loaded with calcium carbonate. Limestone water softens the final product and makes it a little sweeter, making this rum the best base rum for our exotic flavour range.
