LANGS PINEAPPLE OVERVIEW

Langs Pineapple combines juicy pineapple with hints of coconut, caramel and lime, finishing mild and long with fruits and spiced oak.

TASTING NOTES

NOSE

An earthy sweetness consisting of juicy pineapples, coconut, vanilla, molasses, rum and subtle spice.

PALATE

Fresh pineapple balanced with flavours of rum, rich caramel, cinnamon oak and a twist of lime.

FINISH

Mild but long, with fruits and spiced oak.

PERFECT SERVES

Delicious neat or on the rocks or try mixing it with cranberry juice with freshly squeezed lime.

BENEFITS

Imported from Jamaica, our rum is considered full bodied and special because of the island's limestone, a mineral-rich sedimentary rock loaded with calcium carbonate. Limestone water softens the final product and makes it a little sweeter, making this rum the best base rum for our exotic flavour range.
