

Grappa Luigi Francoli Nebbiolo del Piemonte

Distilled from the “vinaccia” of the most prestigious Nebbiolo del Piemonte. Nebbiolo is the greatest wine varietal of Piemonte, appreciated worldwide. This Grappa is its proud descendant.

- *Category:* young grappa
- *Grape variety:* Only Piemontese Nebbiolo
- *Origin:* Piemonte
- *Distillation:* begins with the extraction of the alcohol from the “vinaccia” through a descending three-stage continuous still distillation. Then the “flemma”(a 15-20% vol. raw distillate) passes to a fractioned distillation in a 23-plate copper column
- *Ageing:* 8 months in inert containers
- *Alcohol content:* 41,5% vol.

Organoleptic profile:

- *Colour:* clear, transparent, crystalline
- *Nose:* intense, with hints of ripe red fruits, sage and liquorice
- *Taste:* the fine nuances balance the vigorous, full-body structure. Deep and Persistent aftertaste.
