

Pickering's Original 1947 Gin

Spicy and sweet, authentic Bombay style gin.

This edition is made precisely to our original recipe, as it was written down in Bombay, 1947. The cinnamon used in this version gives your gin a decidedly spicy kick.

Tasting Notes

Spicier, sweeter and more intense, it's a decadent trip back to the last days of the Raj. Cardamom, coriander, clove and cinnamon spice lead to a crisp, refreshing and long finish.

Suggested Serve

Ice, tonic and a slice of orange.

For a more warming drink, substitute tonic water for ginger ale.

ABV 42%
