

# Pickering's Gin

*Our spectacularly smooth, ever popular, red top gin.*

*Based on our original 1947 recipe, we use angelica instead of cinnamon for those who like a classic, crisp style of gin to go with today's sweeter tonics.*

## Tasting Notes

*Fresh, light and bold flavours of citrus and juniper give way to intense warming spice of cardamom, coriander seed and clove.*

## Suggested Serve

*Ice, tonic and a slice of pink grapefruit.*

**ABV 42%**
