

# Pickering's Pink Grapefruit and Lemongrass Gin Liqueur

*Inspired by the pleasure of a Pickering's Gin and tonic garnished with a slice of pink grapefruit, we have engineered our own decadent and refreshing gin liqueur.*

## Tasting Notes

*The soft, sun-kissed citrus of the pink grapefruit complements our gin's spicier botanicals, while lemongrass adds fragrant warmth. Finally, we added a tantalising hint of extra cardamom to give our gin liqueur a uniquely sumptuous finish.*

## Suggested Serve

*Perfect with tonic.*

*Or Prosecco.*

*Or even on its own.*

**ABV 20%**
