Meridith May | Tasting Panel

January 2022

Dominated by 80% Cabernet Sauvignon with smaller percentages of the other Bordeaux red grapes, this wine speaks of heritage and prestige. Broad, silky, and powerful, the graceful liquid is enhanced by dark chocolate, white pepper, black plum, violets, and sweet earth.

November 2022

A solid, forthright Cabernet, with cedar and warm stone notes framing the core of gently steeped black currant and blackberry fruit. Savory and loam accents flash through the finish. Drink now through 2030. 90,500 cases made.

September 2022

Lovely cabernet notes of bell pepper, blackcurrants, blackberry leaves and cassis, together with some cocoa powder. I like the freshness. Medium body and creamy, powdery tannins. Juicy and extremely drinkable. 80% cabernet sauvignon, the rest merlot, cabernet franc, petit verdot and some malbec. Drink from 2023.
