AN EPIC TASTE ADVENTURE.**

When Smokehead meets a rum cask cousin. Fiery peat smoke and burnt marshmallows, softened with caramelised fruit. Taste the rebellion.

### THE FIRST IMPRESSION

Fiery peat kicks things off, naturally. But then comes a sweetness – burnt marshmallows, charred pineapple, banana and... bacon? We warned you

### THE FULL-ON FLAVOUR

A briny, oily, intense smoke hits hard but doused quickly with a spoonful of honey and lemon.

### THE FINALE

And, when the dust settles, the smoky dying embers of toasted oak remains. Along with just a hint of a fruity aftermath.
