A fruit centric bouquet laced with scents of granitic minerality and dark roses. Aromas of black currant and black berries, dark chocolate and spiced plums, there's an earthy mineral quality and dark spices of toasty barrel. Very generous on the palate with a core of dark red berry flavours laced with firm, ripe tannins and medium+ acidity. Dry with a firm structure and balanced lengthy finish. Best drinking from 2022 through 2028+.

It's sweetly ripe and spicy at the same time, showing dark berry, cumin, dried flower and hazelnut characters on the nose. The palate delivers fleshy texture and ripe fruit flavours, beautifully complemented by savoury nuances and fine-grained tannins. At its best: now to 2026.
