### DRINKSBIZ MAGAZINE

Bourbon & Whiskey Report, April / May 2018

---

This is the signature blend created by Walsh Whiskey founder Bernard Walsh, combining old Irish Pot Still Whiskey and Single Malt Irish Whiskey. It contains 100% whiskey distillates from the copper pot still and is matured in boubon casks. There is zesty spice on the nose, with hints of black pepper, cinnamon, peaches and vanilla. In the mouth, flavours of pot still spice, malt, dark chocolate, bourbon oak, and crème caramel lead to a lingering finish with oak and butterscotch.
