*Expressive by Nature*

Tobermory 12 year old has a palette of vibrant fruit and spice with a subtle saltiness reflective of our harbour waters here at Tobermory.

Established in 1798, Tobermory is The Isle of Mull's only whisky distillery and one of the oldest commercial distilleries in Scotland. Here on Mull, we celebrate creativity and are expressive in nature. This is evident in the colourful houses of Tobermory, framed by the rich and dramatic landscape of our beautiful island. This passion for art in nature isn't just reflected in the harbour waters, but in the distinctive spirits we craft here at our coastal distillery. Everything we make is an expression of the rich palate that our Hebridean home provides.
