Inspired by the expressive nature of Mull, we add a splash of spirit from the Tobermory whisky stills to create a unique character for our award winning gin. Distilled on the island with a rich palate of hand-selected botanicals including juniper, tea, heather, elderflower, sweet orange peel, and just a little bit of knowledge from our 220 years of history.

All of the botanicals are steeped for a minimum 24 hours in our base spirit at 65% abv. This is made up from 100% Grain Neutral Spirit, to which we add our very own spirit from our Tobermory whisky still.
