

Mas la Plana Cabernet Sauvignon

2016

95 POINTS

James Suckling | jamesuckling.com

February 2020 *Lots of plum and sweet-berry aromas and flavors. Deep and rich with layers of fruit and round, integrated tannins. Love the finish. Fruity and layered with beautiful fruit and length. Needs time to come around.*

Decanter Magazine | decanter.com

February 2020 *From a dry vintage, with Cabernet Sauvignon vines planted on deep alluvial soils, winemaker Miguel Torres describes this as: 'A very classic vintage of Mas La Plana.' Black fruit aromas – blackberry, blackcurrant – some blackcurrant leaf, coffee and dark chocolate hints. Complex, layered palate, with mouth-filling black fruit, plum, liquorice, very elegant tannins and well integrated oak (18 months in French oak, 85% new). Very smooth and balanced, showing considerable freshness and finesse.*

April 2020 *Deep garnet in the glass, this wine offers a bouquet of blackberry, crème brûlée and anisette. It is bright on entry, with flavors of black plum, roasted red pepper, tobacco and baking spice. Velvet tannins evaporate into a long finish.*

92 POINTS

Jacky Blisson | jackyblisson.com

April 2020 *remarkably fresh given the hot, dry growing season. Ripe red currant, black cherry, and cassis mingle with notes of cigar box, graphite, and cedar on the complex, harmonious nose. The palate is firm and dense, with excellent depth of black fruit, dark chocolate, and cedar spice flavours. Tannins are muscular, yet ripe and fine-grained. Finishes long, with overt toasty oak and vibrant dark fruit.*
