November 2022 *A beautifully styled modern rendition, the fragrant bouquet shows Black Doris plum, violet, cracked pepper and almond notes. The succulent palate displays rounded mouthfeel and fine texture, finishing silky and flavoursome. At its best: now to 2027.*

January 2023 *Aromas and flavours light and dark red cherries, some plum and wild orchard fruits, granite soils and light oak wood scents. Dry with a core of reb berry fruits flavours that mirror the bouquet. Very easy fine tannins and a back bone of acidity layer in mouthfeel and freshness. Well made and ready to drink 2023 through 2026.*
