**Length of alcoholic fermentation:** 2 weeks

**Fermentation temperature:** 16°C

**Bottling month:** From December of 2020

**Technical data:**

**Alcohol level:** 11.5% vol.

**pH:** 3.24

**Total acidity:** 4.9 g/L (tartaric a.)

**Residual sugar:** 7.2 g/L (Glucose and fructose from the natural sugars in the must)

**Allergy advice:** Contains sulfites

**Certified vegan wine**

**Stored under the right conditions, the wine will hold its potential for the next:**

2 años

**Available formats:**

150 cl, 75 cl and 37.5 cl

**Tasting notes:**

Brilliant straw yellow. Very fragrant, with delicate floral (rose) and fruit (lychee) notes. Soft and seductive on the palate with a luscious (acacia honey) finish.

**Serving suggestions:**

Sublime with seafood appetizers, fish and pâté. Well worth trying with Asian food. Serve at 11°C.

**Story:**

The Mediterranean breeze blends with the scent of roses, which grow around our vineyards further inland, to bring us our most cherished gem: Viña Esmeralda. A pleasure to share that evokes the beauty of the Mediterranean and its unique places.

**Weather conditions:**

Overall, this was a rainy year with relatively mild temperatures. After a rather dry winter with mild temperatures, the spring was very rainy and warm, causing significant outbreaks of downy mildew in certain areas, including Penedès, that affected crop production. The summer was drier with moderate temperatures and a few heat spikes in July. Under these conditions, early-ripening varieties were noticeably ahead of schedule, whereas late-ripening ones were less affected. Even though the grapes ripened faster, the harvests were in good condition overall, which made it possible to produce fresh, balanced wines.
