August 2023

Gorgeously fruited and enticing, the bouquet shows blackcurrant, vanilla, toasty oak and warm spice aromas, leading to a concentrated palate that's plush and flavoursome. Richly textured and mouthfilling with a sustained delicious finish. At its best: now to 2031.

92 POINTS

September 2023

Dark purples and ruby with a dark pink rim and some light colour staining of the tears lead to a bouquet and palate of blackberries and dark chocolate, roasted Doris plums and blackcurrant. Some purple flower highlights show before ripe tannins and medium+ acid lines fold through the core fruit flavours. Well made, dry and ready to drink from 2023 through 2029.
