January 2024

A classically styled bouquet and palate with flavours of baked goods and peaches, vanilla and smoky wood along with a ground nut leesy quality. Almost full-bodied with a creamy texture and warming alcohol, contrasting acid line and flavours that remain persistent. Tannins and acid work together to deliver a textured mouthfeel with a gentle creamy finish. Balanced and well made with qualities that make drinking today a treat. best from 2024 through 2027+.
