

# Marlborough Sauvignon Blanc

2020

## 92 POINTS

**NZ Wine Rater | [winerater.co.nz](http://winerater.co.nz)**

December 2020 *Reasonably intense, pretty, floral nose with red currant, tangerine and rock melon fruit characters at the riper end of the spectrum balanced by a whiff of salty sea spray and liquorice. A wine with drive and energy. Clean, fresh, zesty and very drinkable.*

November 2020

*Plenty of intense lime and passionfruit aromas here with mango, too. The palate has a very supple, fleshy feel with beautifully fresh acidity holding tropical-fruit flavours long and fresh. Drink now. Screw cap.*
