If you are a fan of the rich, multi-faceted reds of Bordeaux, try this Hawke's Bay equivalent. Estate-grown in the Irongate Vineyard, in the Gimblett Gravels, it is full-coloured and mouthfilling, with deep, ripe plum, spice and nut flavours, good tannin backbone, savoury notes adding complexity and a long future ahead. Best drinking 2021+.

The attractive red-plum and lightly earthy aromas here speak to the quality of Merlot in Hawke's Bay. The palate has a dense but elegant core of fine, smooth tannins that carry bright, vibrant red berries long and even. Drink or hold.
