Distinctive, complex, youthful, layered and intriguing bouquet. Aromas of white peach and soft-curve grapefruit pith, white fleshed orchard fruits, a distinctive lees complexity and a whisper of bottle ageing create a harmonious and alluring bouquet. There's a touch of sage too. On the palate a delicious wine with synergies of texture and flavour, grapefruit and lees, white flowers and black currant, other flavours from barrel ageing and a purity of fruit all build up to a wine of complexity and subtle bottle-development. A wine to watch, a modern expression with a lengthy and intriguing finish. Best drinking from late 2023 through 2029.

This wine is as much about texture as it is about taste. Bone-dry and mouth-filling with peppery phenolics that offer support while pushing a lingering finish. Quite Sancerre-like with a savoury, stemmy character. Good food wine.
