Decemeber 2022 *There's a unique quality about the bouquet of this wine with a soft floral scents and heirloom red berry fruit fragrances with a fine lightly toasted wood quality and most importantly - a sense of place and time. Youthful and complex. Textures from tannins, wood and acidity touch the palate first with a savoury quality before the flavours of red berries, plums, flowers and red currant. Taut and textured with a youthful energy and drive. Best drinking from mid to late 2024 through 2030+. Keen to try this wine again then.*

March 2023 *Already very expressive, the 2020 vintage (5*) was hand-harvested from 19 year-old vines at Taylor Pass, in the Southern Valleys, and matured for a year in French oak barriques. Bright ruby, it is a refined, complex wine, very savoury and supple, with deep, ripe cherry, plum and spice flavours, finely integrated oak, and a silky-textured, very harmonious finish. Best drinking 2025+.*
