

Awatere Valley Pinot Gris

2021

94 POINTS

Cameron Douglas MS | camdouglasms.com

March 2022 *Very fragrant and enticing bouquet, floral then fruity, mineral then leesy. Scents of fresh green pear and quince, yellow apple and a fine lees spice quality, a whisper lager beer then honeysuckle. Overall a harmonious complexity. Lovely weight and texture on the palate with a core of white fleshed fruits then mineral and spice, and with a satin texture, vibrant acid line and complexity, the wine presents a completeness and individual style. Best drinking from 2022 through 2026+.*
