

Awatere Valley Pinot Gris

2023

93 POINTS

Cameron Douglas | camdouglasms.com

December 2024 *A lovely wine with a floral and fruity lift, aromas of fresh pear and quince, some white spice, red apple and lemon. Crisp and dry on the palate with a core of tree and citrus flavours, plenty of acidity, satin texture and spice. Balanced and well made, a decent mouthfeel with best drinking from day of purchase the end of summer 2027.*

December *Offering good value, the characterful 2023 vintage (****1/2) was estate-grown in the Awatere Valley, Marlborough. Bright, light lemon/green, it is mouthfilling, fresh and smooth, with very generous, peachy flavours, hints of pears and spices, a distinct touch of complexity, lively acidity and a dryish finish. It's drinking well now.*
