April 2022

A red blend of Malbec and Merlot delivers a vibrant purple and ruby hued appearance, very bright a youthfl. Aromas of boysenberry and black currant, beetroot and chocolate cake, violet, plum and a touch of cassis then barrel scents of clove and some toasty qualities. Youthful, new and intense. On the palate - fresh, young, plenty of texture of fruit tannins and acidity then clove and vanilla oak qualities and a core of fruit flavours that reflect the bouquet. Refreshing and salivating, youthful and ready for drinking from mid to late 2023 through 2029+. Decant and serve with food is recommended.
