Ripe and vibrant bouquet, varietal with scents of grapefruit and peach then layers of new and aged oak scents, cream and vanilla, yoghurt and baking spices. The palate reflects the bouquet with fruits and wood impacts, a quince and citrus then apple and qualities, plenty of acidity and bite from the oak. A lovely wine with weight and intensity, youthful and a vibrant mouthfeel. Well made, lengthy, dry and complex. A wine best enjoyed from late 2024 through 2030.

Moderately intense chardonnay with grapefruit, sizzled butter, nutty oak and hazelnut flavours. Quite a weighty wine with a pleasing texture and a refreshing backbone of bright acidity.

Medium-bodied white with aromas of pie crust, hazelnuts, spiced apples and apricot stones. Creamy, tasty and well-balanced with delicious pastry and nut elements to the stone fruit. Sustainable. Drink now
