July 2023

A classic and focused bouquet of ripe peach and apricot stone, quite floral too with yellow flowers. There's a lees and fruit spice quality adding breadth and depth. A creamy satin texture touches the palate first then flavours of white and yellow fleshed fruits with peaches, apples and apricots. Some super fine fruit tannins, engaging phenolic textures and refreshing acid line all lead to a sound structure and length on the palate. Best drinking from 2023 through 2028+.
