TASTING NOTE

An elegant Rosé with evocative flavour and lovely balance. Fresh peach, raspberry and quince aromas burst from the glass. The palate is light footed yet generous with almost a crystalline texture, supported by vibrant flavours of spiced plum. This wine is light-medium bodied, has lovely structure and a long, dry finish.

FOOD MATCH

Watermelon and mint salad

VINEYARDS

The grapes for this wine are grown at the western end of Waiheke Island. The vineyards are planted on steep slopes, blanketed by iron and manganese rich clay atop an ancient bedrock of Jurassic sandstones and mudstones. The clay soils provide wonderful structure and texture in the resulting wine; attributes which are beautifully expressed in this Rosé.

WINEMAKING

The hand picked grapes were de-stemmed and crushed upon arrival to the winery, where the berries were then cold soaked for an hour to extract some lovely colour from the skins. After this maceration, the must was pressed and the clear pink juice was fermented using neutral yeast to ensure the fruit purity was upheld and expressed. After a cool fermentation, the wine was allowed to rest for 3 months in stainless steel tanks before bottling.
