

Dry Riesling

2021

93 POINTS

Cameron Douglas MS | camdouglasms.com

December 2022 *Very fragrant with aromas of mandarin and limeflower, fresh apple flesh and citrus. Floral too with scents of blossoms and a touch of rose. Taut and dry as the wine touches the palate, flavours of citrus and fresh green apple, there's a mineral wet stone quality highlighted by acidity and taut youthful mouthfeel. Delicious and fresh, an aperitif style (for me) with best drinking from 2024 through 2030+.*

94 POINTS

December 2022 *Crisp, punchy organic Riesling with lime, apricot and wildflower flavours balanced by a core of fruity acidity which adds some welcome tension to the wine. Delicious now but with the potential to develop toasty bottle age characters*

95 POINTS

Sam Kim | [Wine Orbit](#)

December 2022 *Beautifully poised and pure, the wine shows lime sorbet, crunchy apple, and white floral aromas with a hint of wet limestone. The palate delivers refined texture together with lively acidity, making it firmly structured and impressively long on the finish. Gorgeously restrained and persistent. Certified organic.*
