March 2023 *Fantastic bouquet of complexity and promise with aromas of synergy, soils and carefully selected new barrels, ripe red berry fruit scents and baking spices. Taut, youthful, flinty and savoury with dried herbs and toasty barrels spices, wild thyme and cherry flesh, raspberry and roasted cashew nut from new barrel. Layers of polished tannins and medium+ acidity add texture and length on the palate carried on a wave of acidity. Release date end of April, Be quick! Best drinking from 2025 through 2035.*
