

Josephine Riesling

2023

95 POINTS

Bob Campbell | Real Review

September 2023 *Bright, vibrant riesling with lime juice, white wildflowers, and oyster shell flavours. Moderately sweet although the sweetness is tempered with deliciously pure, mouthwatering acidity. The net effect is a moderately sweet wine with appealing tension.*

October 2023 *Aromas of variety and mineral, wild white flowers and pear, fresh red apple and sweet Meyer lemon. Fragrant, lifted and enticing. On the palate a medium-sweet expression with flavours of lemon and sherbet, apple, lime and lemon along with contrasting acid line. Fresh, lively and delicious, a wine perfect as an aperitif or with delicately sweet seafood. Lengthy, balanced and well made. Best drinking from 2023 through 2030+.*
