September 2022 *Light, fresh and delicately fruity wine with raspberry, strawberry and subtle spicy flavours. Dry with a backbone of refreshing acidity. Appealing purity and an ethereal texture. Impressive rosé. 2022–2025*

September 2022 *Restrained and delicately expressed with red apple, grapefruit, gun smoke and subtle spice aromas, it's tightly structured with fine texture and racy acidity. Brilliantly focused and linear with a persistent crisp-dry finish. At its best: now to 2026.*

October 2022 *Bright, fresh, fruity and floral with aromas of fresh red apple and apricot, some yellow plum and raspberry. Equally bright and fresh on the palate, a satin texture is contrasted by acidity and core fruit flavours that reflect the bouquet. There's a light savoury mineral quality and very fine tannin structure. Well made with best drinking from 2023 through end of summer 2024.*
