April 2026

Great colour and bouquet with yellow gold hues then aromas of nut and baked stone fruits, vanilla and whipped cream, nectarine and even a touch of banana. Complex too with a distinctive voice of site with a limestone soil voice. On the palate a full-bodied dry wine with a core of green melon and stone fruit flavours, vanilla and baked nut complexities. Medium+ acid line, a silky-cream texture and fine tannins from oak and fruit leading to a lengthy finish. Best drinking from day of purchase through 2031+.
