

MARLBOROUGH

ESTATE MARLBOROUGH SAUVIGNON BLANC 2025

VINEYARD DESCRIPTION

Vineyards in the cooler Awarere Valley and the warmer Southern Valleys were selected for this wine. Planted on a mix of free-draining gravel and clay soils, these sites contribute both elegance and structure to the final blend. The Marlborough harvest was excellent, yielding clean fruit with crisp flavours that have produced elegant wines with bright aromatics and juicy acidity.

WINEMAKING

The individual parcels were harvested and transported to the winery for immediate processing to capture the freshness of the fruit. Fermentation was cool and slow using selected yeast strains. Once blended, the wine was gently fined and filtered before bottling.

WINEMAKERS COMMENT

This elegant yet intensely flavoured Sauvignon Blanc is true to its Marlborough origins. It beautifully expresses its sub-regional characters, with aromas of snow pea, ripe herbs, and a vibrant acid backbone reflecting the Awarere Valley, while heady passionfruit, ripe lemon, and rich texture flow from the Wairau Valley vineyards.
