October 2025

*Aromatic and pretty, this has long flavours of just-ripe apple and honeysuckle fringed with vanilla and macadamia. The palate is energetic and long with juicy acidity providing the frame for its sweetly delicate flavours to permeate through to the deceptively long yet refreshing finish. A surprisingly lithe and light-footed chardonnay which has the phenolic grip and concentration to reward ageing, despite not being a blockbuster. Expect this to develop slowly over the next decade as it gains savoury, nutty depth.*
