January 2025 *Beautifully perfumed with very complex aromas ranging from floral, raspberry, crushed strawberry through to dried thyme, savoury spice and white pepper. The palate is light and flowing with savoury, whole-bunch tannins appearing early to give a chalky texture to the otherwise sweet, mid-weight red fruit flavours. Rather intricate and detailed on the subtly long finish; once the oak absorbs, it has the poised elegance to be drinkable at every stage of its life as it develops more depth and complexity.*
