

Methode Traditionelle

NV

93 POINTS

Bob Campbell | realreview.com

January 2024 *A blend of chardonnay and pinot noir with the chardonnay giving toast and citrus flavours while the pinot noir adds chocolate box characters. Together they produce a richly-textured wine with a suggestion of nut and brioche*

Cameron Douglas MS | camdouglasms.com

October 2023 *Ripe, pure and complex with a youthful core of white fleshed fruits and citrus and with an equal power and intensity from lees autolysis, there's a white flower and sleek mineral quality. A dry wine touches the palate with a burst of fresh texture mousse, fine bubbles and high acid line. Flavours of white fleshed stone fruits and pear, lemon and a cool-stone mineral complexity. Balanced and well made, fresh and textured with a fine mousse. Best drinking as an aperitif from 2023 through 2029.*
