## CENTRAL OTAGO GROWING SEASON

Defined by warmth, balance, and picture-perfect ripening conditions, the 2025 growing season was an absolute dream in the vines. Spring kicked off with favourable weather producing a strong, healthy crop. A consistently warm and dry summer let the grapes soak up endless Central Otago sunshine. Cooler autumn nights arrived right on cue to lock in crisp natural acidity, creating an ideal balance between rich, sun-kissed fruit weight and striking structural freshness. It's a generous, deeply expressive vintage that delivers pure pleasure in every single glass.

## WINEMAKING DETAILS

Produced from 100% Pinot Noir and sourced across; three sub-regions, Pisa, Bendigo and Gibbston. The fruit is de-stemmed and left on skins for up to 24 hours at the winery. Our Cool fermentation preserves natural acidity and aromatics, creating a bright, dry style. The wine then rests on fine lees over winter, developing additional layers, mid-palate weight, and subtle complexity.

## AWARDS

Gold at the Aotearoa NZ Organic Wine Awards 2026

## AROMA & PALATE

A delicate cherry blossom colour, with charming red fruit aromatics. Fresh strawberry and melon, with a splash of creamy berry fruit, the wine flows with delicate ease towards its pleasingly dry finish. Smashable all year round.

## CELLARING
