

## GV COLLECTION 2020 RIESLING

*The GV Collection Riesling contrasts the taut minerality of fruit with beautiful expressions of citrus and blossom.*

### GV COLLECTION

GV Collection wines are pure expressions of Central Otago.

### 2020 CENTRAL OTAGO GROWING SEASON

2020 was a cool Central Otago growing season marked by low crop levels, and crisp, pure fruit. Budburst, flowering and harvest were 7-14 days later than average, with very small berries and bunches. Fruit was harvested in mid-April, with intense vibrant flavours.

### VINEYARD

67% Torr Vineyard, Pisa.

33% Red Shed Vineyard, Bendigo.

### WINEMAKING DETAILS

We time our Riesling pick to preserve the beautiful citrus flavours and mineral core. It has a simple winery regime: hand picked, and whole bunch pressing. The wine is cool fermented, then bottled.

### AROMA AND PALATE

A luminous pale gold with vibrant green flashes. Pure citrus and floral notes. Crisp, pure flavours energise the palate. A fine edged citrusy succulence propels the wine though into its fine, lingering finish. Finishes just off dry.

### CELLARING

Designed for immediate enjoyment.

### HARVEST DETAILS

---

#### CLONE

GM110, 198 / 19, 238

#### VINEYARD

Red Shed & Torr

#### SOIL

Silty loam over schist gravels

#### HARVEST DATE

16/4/2021 & 23/04/2021

#### BRIX

21.50

#### TITRATABLE ACIDITY

9 g/l

#### PH

2.95

### WINE ANALYSIS
