*Already highly enjoyable, Invivo & Co's fresh, lively wine is blended from various grape varieties and regions. Bright pink, it has strong, vibrant peach, strawberry, watermelon, and spice flavours, with a finely balanced, basically dry finish.*

October 2022

*Bright and elegantly fragrant on the nose showing sweet strawberry, rockmelon, watermelon and lemon zest aromas, it's succulent and delightfully flavoursome with fine texture and refreshing acidity, making it fabulously drinkable. At its best: now to 2024.*
