93 POINTS

Cameron Douglas MS | Summer World of Wine

September 2022 *A delicious wine with flavours of white peach grapefruit, vanilla butter and gun flint. The satin texture on the palate is contrasted by acidity and core fruit flavours. Sweet vanilla spiced wood flavours, stone and mineral qualities with a lengthy finish. New and fresh – a wine that should develop more complexity as it ages. Best drinking from late 2023 through 2028+.*

4.5 STARS

Winestate | March issue

March 2023 *Powerful and intense style with rich warm fruit fragrances edged with a wheat baglike element. Good length and complexity of tinned fruit flavours.*
