

Chardonnay

2024

89 POINTS

Cameron Douglas | camdouglasms.com

December 2025 *A refreshing and precise wine with flavours of grapefruit and apple then white fleshed stone fruits and florals. A distinctive mineral quality adds complexity and style. Dry, crisp and fleshy with fine chalky textured fruit tannins and a backbone of acidity that enhances both flavour and texture. Best drinking from 2025 through 2028.*
