## SILVER MEDAL

**Decanter World Wine Awards**

June 2023

## 17.2 POINTS

**Joelle Thomson | Drinks Biz**

March 2023

*Hunter's intensely aromatic Sauvignon Blanc rocks crisp, refreshing acidity with succulent lemon grass aromas and seductive flavours of ripe citrus zest, crunchy green apples and passionfruit. Its medium body suits a light chilling, which accentuates its dry style and long finish. This vintage has a very modest 11.8% ABV; light by most modern standards and a lovely characteristic for summer drinking. Certified vegan wine.*

## 91 POINTS

**Tina Gellie | Decanter**

February 2023

*Now run by the third generation, with the first vines planted in 1979, Hunter's is a Marlborough pioneer known for both still and sparkling wine. This is a lean and serious style, with piercing Mineral acidity, direct lime and lemongrass flavours and a gooseberry fool finish.*
