

Sauvignon Blanc

2025

92 POINTS

Cameron Douglas MS | camdouglasms.com

October 2025

A lovely bouquet with an attractive core of ripe citrus and tropical fruits along with floral and soft lees quality adding complexity. Fleshy, fruity, varietal and delicious on the palate, a satin texture, contrasting acid line and a return to the flavours of citrus and tree fruit with a fine tropical quality. Well made with best drinking from 2025 through 2028+.
