### VINTAGE CONDITIONS

The 2020 growing season was one to remember for the amazing weather conditions in Marlborough. During Summer and Autumn we had warm and dry conditions throughout, allowing for clean fruit and an early start to the vintage. These conditions resulted in grapes that were picked with good natural acidity relative to their sugar and flavour ripeness. 2020 will prove to be an exceptional vintage.

### VINIFICATION

This wine is a blend of Pinot Noir, Riesling, Chardonnay and Gewurztraminer grapes with each variety contributing unique characteristics to the final wine.

Fruit was picked in the cool of the morning. The Pinot Noir grapes were left to soak on skins for 24 hours to pick up some colour before pressing. The varieties were fermented separately before the wine was blended and Estate bottled.

This wine is Certified Vegan by the NZ Vegetarian Society.
