PROSECCO ROSÉ

#bringtheglam with Unity.

Like adding some glam to an outfit with a handbag, or turning a Friday night-in to a party, Unity elevates an ordinary drinking occasion into something that sparkles.

Whether you're glowing up to go out on the weekend or watching **Eurovision Song Contest** at home, Unity will bring the glam to your glass for this, and every occasion.

Made for toasting, the Unity collection features a gorgeous Italian Prosecco Rose D.O.C and delicious Prosecco D.O.C. Serve chilled at a gathering where everyone is welcome.

TASTING NOTE

A beautiful pale pink drop with a glimmer of fine bubbles. Strawberries shine through on the nose, with a hint of tropical flowers coming through. This crisp Prosecco Rosé has perfectly balanced acidity. Douze points!
